ABOUT ME

A 4th-year Bachelor of Science in Information Technology student seeking an OJT opportunity to gain practical experience and further develop my technical skills. I have experience in web development, database management, and IoT systems through academic and project-based work. I am a motivated, adaptable, and hardworking individual who is eager to learn, contribute to a professional team, and grow in the IT industry.

EDUCATION

TERTIARY 2023 - PRESENT	**MINDORO STATE UNIVERSITY (CALAPAN CITY CAMPUS)** Bachelor of Science in Information Technology
